On December 14, 2016, Congress approved an act to award the Congressional Gold Medal, collectively, to the members of the Office of Strategic Services (OSS) in recognition of their superior service and major contributions during World War II. And Finally

Century Lumber Company at 2541 E. Anaheim Street

With 4th district resident Grace Florence Old celebrating her 100th birthday, we thought a vintage photo of "Century" Lumber would be appropriate. The lumber company opened at the corner of Anaheim and Molino in 1924 along with Joe Jost's and Community Hospital. Century never reached their 100th birthday, but they were on that corner for over 80 years. They constructed an all new building in the early 80's, and that was eventually repurposed for the WSS shoe store.
